*Internal Medicine Associates is a division of Summit Medical Group,
one of the largest independent medical groups in Tennessee.*

Internal Medicine Associates

Internal Medicine Associates (IMA) is comprised of a team of 14 physicians, as well as advanced practitioners, physical therapists, nurses, a diabetes educator, and support staff. We intend for the relationship with our patients to span their lifetimes, with a focus on prevention, health, wellbeing and disease management.

Established in 1981 in Knoxville, TN, IMA is a founding member of Summit Medical Group.

*Internal Medicine
Associates is proud
member of
Summit Medical
Group*

We specialize in caring for patients aged 18+ and strive to provide comprehensive care for our patients, including:

- **Lab Testing**
- **X-ray**
- **Diabetic Education**
- **Nutrition & Weight Management**
- **Care Coordination**
